Photo Café Wi-Fi Print Server

Sinfonia's Photo Cafe is a portable Wi-Fi print server for the Sinfonia CS2, one of the world's smallest and lightest photo printers. With Photo Cafe, customers or visitor can easily print photos over Wi-Fi to the CS2 from their mobile device or tablet.

☑ **No App Download Required. No Internet Access Required.**
Fast and easy set-up anywhere. The Photo Cafe can generate its own WiFi, or use existing Wi-Fi network.

☑ **3 Easy Steps to Print**
1) Select Photo Café Wi-Fi network,
2) Scan the QR code to access the web application
3) select the photo to print.

☑ **Fast Printing**
From image select to print in less than 25 seconds.

☑ **Fast Return on Investment**
A small investment with large profit potential.

☑ **Optional Configurations**
Control Wi-Fi password, number of prints, promotion code, image frame, and more.
